## *Natural Catch<sup>®</sup> Plus*

### *Novel Baited Complete Fruit Fly Trap*

Natural Catch<sup>®</sup> Plus controls fruit flies with a safe, easy-to-use, non toxic, patented design. Made of FDA approved recyclable, food grade material, Natural Catch Plus is effective for thirty+ (30+) days.

#### *Convenient & Versatile*

Place this convenient trap in displays of onions, bananas, tomatoes and wherever fruit flies may be a problem. The patented design allows easy use hidden within displays or standing freely on countertops or in display cases.

#### *Safe & Effective*

The non-toxic attractant is pre-measured and produces predictable results. Fruit fly populations are typically reduced 70%-80% or more.
